

Chamber Showcase

— the *ultimate networking event* —

The Hopkins County Chamber of Commerce is proud to host *The Chamber Showcase*, a networking event highlighting the members of the Chamber of Commerce. Your company may participate in two ways. First, rent a booth so that you may distribute information and marketing materials about your business. Food may be distributed.

Second, you are welcome to attend the event to network with other business representatives in a business-after-hours meets speed networking meets food show format. Only Chamber members can reserve booths, but the event itself is open to everyone. This is the perfect opportunity to meet, interact, and promote YOUR business in several different ways. We encourage each business to bring a \$25 gift or gift card to be given away as a drawing prize

Booths are limited in supply and are available for \$60, which includes two tickets for those who are sponsoring the booth. Vendors are welcomed to promote giveaways and prizes from the booths. Individual networking tickets are available at the Chamber for \$10 each. Please make sure to bring your business cards with you for exchange while networking.
